Bienvenidos a nuestro **Grupo de Crecimiento**. Este es un año de mucho crecimiento en todas las áreas de nuestra vida. En la semana 4 estudiamos sobre uno de los **privilegios** vitales que tenemos, todos los seres humanos, de parte de Dios; y es el **perdón de pecados**. Hoy vamos a estudiar sobre una de las **responsabilidades** vitales que todos tenemos; y es **aprender a creer en Dios y aceptar plenamente SU palabra**. Muchas personas, fuera y dentro de la Iglesia, tenemos un inmenso desafío; la incredulidad, las dudas y la incertidumbre han y están haciendo un trabajo maléfico para destruir nuestro crecimiento. Porque logramos aprender a creer en Dios y aceptar SU palabra plenamente, crecemos en FE; y para el que CRECE en FE ;Nada es imposible! ¿Podrá alguien crecer en FE sin la Palabra de Dios desarrollándose dentro de su ser? ¡NUNCA! **La única semilla para que crezca la Fe dentro de una persona es la misma Palabra de Dios.** Las emociones y los sentimientos, a veces, nos ayudan a creer en Dios y aceptar Su Palabra con entusiasmo; pero cuando nos cambian los sentimientos, cuando las emociones se evaporan ¿Qué pasa con esta responsabilidad tan vital? Hay que apoyarse solamente en la roca firme, que es Dios y en Su Palabra; con emociones o sin emociones; con sentimientos o sin sentimientos; con lo que nos diga nuestra mente o no nos diga nuestra mente **;Dios y Su Palabra siempre están al lado nuestro;** Salmo 19 nos dice: **la Palabra de Dios es perfecta, nos da nueva vida; sus mandamientos son dignos de confianza, nos alegran el corazón y nos dan sabiduría.** ¿Dónde usted puede conseguir eso? Solamente en Su Palabra. Hebreos 4:12 nos dice “**La palabra de Dios es viva, eficaz, más cortante que una espada de dos filos; penetra hasta el alma, el espíritu, las coyuntura, los tuétanos, discierne los pensamientos y las intenciones del corazón.**” **NO hay cosa creada oculta a su vista.** Tenemos una inmensa **Responsabilidad** con Dios, con nosotros mismo y con nuestros familiares, creer en Dios y en Su Palabra plenamente. Por eso hay que ir a la escuela de Discipulado, prepararse en la Colegiatura Bíblica. Hacer su Estudio de hogar, ir a las estudiós de obreros, damas, jóvenes y niños. Todo el mundo debe ir a estos colegios y luego continuar hasta su Universidad. Dios quiere tu prosperidad y nunca la encontrarás fuera de Su Palabra.

Nota: Vamos a tomar nuestra ofrenda de Grupo de Crecimiento, apoyando la construcción de la Casa de Dios. Este viernes 30 de Enero a nuestra 1era Vigilia las 9:30 PM, y el domingo a recibir la bendición Pastoral con nuestra familia en la Iglesia.

Welcome to our **Growth Group**. This is year of great growth in all areas of our lives. In week 4 we studied about one of the vital **privileges** we as human beings all have from the Lord; that is the **forgiveness of sins**. Today we will study of one of the vital **responsibilities** that we have; and that is to **learn to believe in God and to fully accept His Word**. Many people, outside and within the church have an immense challenge; the non-beliefs, the doubts, and uncertainty have and are still doing it's evil task to destroy our growth. Because we have learned to believe in God and to accept His word fully we are growing in faith; and for he who GROWS in FAITH nothing is impossible! Can a person grow in faith without the Word of God being developed within them? NEVER! **The only seed that can make a persons faith grow within them is the Word of God.** Emotions and feelings sometimes help us believe in God and to accept His Word with enthusiasm; but what happens when our feelings change or when our emotions evaporate? What happens to this responsibility that is so vital? We need to support ourselves only on the solid rock that is the Lord and His Word. With emotions or without emotions, with feelings or without feelings; with what our mind tells us or our mind doesn't tell us, **God and His Word is always in our side!** Psalms 19 tells us: **The Word of God is perfect, it gives us a new life; His commandments are worthy of trust, they bring joy to our heart and gives us wisdom.** Where can you find this? Only in His Word. Hebrews 4:12 tells us " **For the word of God is living and active, sharper than any two edged sword, piercing to the division of soul and spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart.**" There is **NOTHING hidden from His sight**. We have an immense responsibility with God, with ourselves and with our family members, and that is to fully believe in God and His Word . This why we must go to the school of Discipleship and be prepared to attend Bible College. We must also be prepared to do our Bible study and to go to our Bible study for men, women, teenagers, and children. Everyone should go to these colleges and later proceed to the Bible University. God wants your prosperity and you will never find it outside of His word.

Note: Let's take our offering as a growth group to continue supporting the construction of the House of God. This Friday the 30th of January we will have our first vigil a 9:30pm, and on Sunday we will receive the Pastoral blessing with our family at the church.
