I was born to fulfill God's purpose on earth; God's purpose is that I be a blessing to others. To be a blessing to others I need to allow myself to be instructed by the Word of God. In John 6:38 our Lord Jesus Christ shows us what the purpose is as sons of God, "do the will of the Father"

In John 6:26 Jesus confronts the crowd that followed him telling them the following, "*not because you saw signs but because you ate the loaves and were filled.*" The people who followed Jesus were more concerned about the material food , rather than for the food that is provided by the Word of God. The reproach of Jesus is in reference to what happened in John 6: 1-13; the need to feed a crowd and the disciples were given only found five loaves and two fishes (v.9). Jesus took the food, gave thanks and it was multiplied. This fed the whole crowd and there was still some left overs. The power of gratitude is the multiplying factor of the blessings of God. Thank God for our parents, children, spouse, health, job, church, school, etc., multiply your blessings. We can activate the power multiplication through gratitude. Those who are ungrateful with the things they do not have suffer with the things they do have.

The crowd cared only about receiving a blessing, Jesus cared about being a blessing to others; because that is the will of the Father that their children be a blessing to others. Do not seek God for a blessing seek Him to receive instruction. Do not compare the blessing of God with His instruction. His instruction is too large, the blessing can last only a moment, but the instruction we receive today through the Word of God makes us productive forever. Seek the Lord for instruction not for a blessing.

Let us pray: Today I leave this place activated to produce; to see the action of the power of gratitude, by multiplying in everything I do. In Jesus' name, amen!
