“Por la fe Abel ofreció a Dios mas excelente sacrificio que Cain, por lo cual alcanzó testimonio de que era justo, dando Testimonio de sus ofrendas; y estando muerto, aun habla por ella.” (Hebreos 11:4)

La ofrenda de Abel nos enseña el potencial incalculable que tiene una semilla cuando es sembrada. Por ejemplo, una manzana tiene por lo menos 5 semillas; esas semillas al ser sembradas darán como cosecha 5 arboles de manzanas, si cada árbol da 25 manzanas entonces tendremos que de 1 manzana salieron 125 manzanas ¡Ahora tenemos 125 manzanas! Si nos comemos las manzanas y desechamos las semillas, solo tendremos 1 manzana.

Dios nos ha dado un mapa para aprender, aceptar y aplicar los principios bíblicos de multiplicación en nuestra vida:

A. Diezmo: El diezmo es un acto de obediencia a la Palabra de Dios, es el 10% de todos nuestros ingresos. (Malaquías 3:10-11)

B. Ofrenda: La ofrenda es un acto de gratitud por lo que se ha recibido (Lucas 6:38)

C. Pactos: Los pactos son un acto de fe (no hay cantidad específica) que se hace basado en lo que esperamos en el futuro y

no en lo que hemos recibido en el pasado. (Eclesiastés 5:4)

D. Primicias: Las primicias son un acto de honra y amor a Dios, es la forma mas alta de dar, es darle el primer lugar a Dios; y no solo se da una parte o un porcentaje, sino que se da la totalidad de lo obtenido (Proverbios 3:9-10).

E. Gratitud: Cuando somos agradecidos por los bienes recibidos eso trae multiplicación de parte de Dios (Mateo 15:36)

F. Generosidad: El que siembra escasamente, también segara escasamente; y el que siembra generosamente, generosamente también segará. (2 Corintios 2:9)

La primicias nos mantiene con el corazón correcto y cuando honramos a Dios le mostramos nuestro amor y el se complace en esto.

“By faith Abel offered to God more excellent sacrifice than Cain, for which he testified that he was just, giving Testimony of his offerings; and being dead, he still speaks for her.” (Hebrews. 11: 4)

Abel's offering teaches us the incalculable potential that a seed has when it is sown. For example, an apple has at least 5 seeds; When these seeds are sown, they will yield 5 apple trees, if each tree gives 25 apples, then we will have 125 apples from 1 apple. Now we have 125 apples! If we eat the apples and discard the seeds, we will only have 1 apple.

God has given us a map to learn, accept and apply the biblical principles of multiplication in our lives:

A. Tithing: Tithing is an act of obedience to the Word of God; it is 10% of all our income. (Malachi 3: 10-11)

B. Offering: The offering is an act of gratitude for what has been received (Luke 6:38)

C. Covenants: Covenants are an act of faith (there is no specific amount) that is made based on what we expect in the future and not on what we have received in the past. Ecclesiastes 5: 4

D. Firstfruits: Firstfruits are an act of honor and love to God, it is the highest way of giving, it is to give God first place; and not only a part or a percentage is given, but the totality of what is obtained is given (Proverbs 3: 9-10).

E. Gratitude: When we are grateful for the goods received that brings multiplication from God (Matthew 15:36)

F. Generosity: He who sows sparingly will also reap sparingly; and he who sows generously will also reap generously. (2 Corinthians 2: 9)

The first fruits keep us with the right heart and when we honor God, we show him our love and he is pleased in this.
